

The Matrix for Your Salvation

A revolutionary message that gives a powerful new understanding of the Bible. This extraordinary divine pattern is presented throughout the Bible and has remained unrecognized, sealed until now. It is a map for your salvation with a profound understanding for the world.

This pattern was given to the Jews but they missed its message and their house was left desolate unto them. They recognized the pattern but applied it in outer ceremony not in inner transformation and renewal of mind. In misunderstanding and not taking it to the world their connection to God was lost. Six million died in the holocaust.

The same pattern was given in the central scriptures of Buddhism – in the 4 Noble Truths and the 4 Foundations of Mindfulness. There it has been submerged in culture, mysticism and reliance on self. In misunderstanding, sitting on the mountain and not taking it to the world, thousands of Tibetans were slaughtered and tortured as their culture and religion was decimated.

The same pattern has been given to Christians throughout the Bible where it has been missed completely – in the Lord's Prayer, the first four Commandments, the Last Supper, the structure of the New Testament, even the history of the world. The Bible predicts a soon coming crisis the likes of which the world has never seen.

The Matrix for Your Salvation reveals this extraordinary pattern for your restoration and explains how to apply it in your life. When you see the pattern you will be amazed that generations of brilliant scholars have missed its presence throughout the New Testament of the Bible.

This is the message for God's Remnant People to stand in Him. This is the Gospel for our Times.
